

GPMS Simplified Divine Law

WHAT IS DIVINE LAW?

Divine Law is the very Essence of Human Nature & Requires No Proof.

As Sovereign Beings We Must Affirm & Embody Our Creator Given Unalienable Rights Under Divine Law.

These Rights belong to every living sentient being on the planet and they cannot be taken away by any other Person, Government or Organization because those entities did not give them to you.

It is our responsibility as Sovereign Beings to know these Rights and stand firmly in them.

If any other 'Law' attempts to override or supersede Divine Natural Law, that 'Law' is automatically NULL & VOID.

WHAT GPMS EMBODIES

GPMS recognizes that all of Creation evolves according to Divine Will and a Divine Plan for Creation with its own Divine and Universal Laws independent of all others.

GPMS brings All People Together Worldwide logically, then Activates Their ability to Co-Create a Harmonious, Free, and Prosperous World All Together.

GPMS recognizes It is our moral duty to align with Divine Law and act as stewards of this Divine Plan to bring this Earth into Balance, Abundance and Harmony through compassion, higher truth, and divinely inspired wisdom.

GPMS recognizes the Votes, Voices & Autographs for ***ALL CHILDREN** in support of Divine Law regardless of age.

All Children's votes & autographs count the same as an adult.

**If the Child is old enough to innerstand what GPMS & Divine Law means for Them, then The Child can consent for Themselves.*

If, However, a Child DOES NOT innerstand what this means then Their Parent or Guardian can consent on Their behalf, even if the Child is only one minute old.

All members of GPMS are spiritual stewards of OUR CHILDREN and WE have every right to command their space as protected under the Divine Natural Laws WE set forth from OUR parental love and concern.

GPMS Simplified Divine Law

GPMS Membership is self-appointed.

All that is required is you Affirm & Embody your Creator Given Unalienable Rights by autographing the Divine Decree, holding Love in your Heart with visions of a healed and beautiful New Earth while Standing Firm in these beliefs & principles.

The next step, We Create Our own open unlimited flow of money and establish individual comfort worldwide for every woman, man and Child, wiping out lack and poverty, instantly, among many other disharmonies that were forced upon the Peoples in the past.

AFFIRM THE FOLLOWING ALOUD:

By Affirming your basic human rights while commanding your space, you will bring the higher protection of the Universal Laws to act upon your life.
